The specific requirements necessary to protect classified information released to private industry are set forth in DoD 5220.22-M, "National Industrial Security Program (NISP). DD Form 441, "Department of Defense Security Agreement," is the initial contract between industry and the government. This legally binding document details the responsibility of both parties and obligates the contractor to fulfill the requirements outlined in DoD 5220.22-

M. The DD Form 441-1, "Appendage to the Department of Defense Agreement," is used to extend the agreement to separately located branches and offices of the contractor. DD Form 441S (to become SF X322), "Certificate Pertaining to Foreign Interests," must be submitted to provide certification regarding elements of Foreign Ownership, Control, and Influence (FOCI).
